TESTIMONIALS

"There is a 24-hour reception available, the dormitory is located in the centre of the campus. Within a 5-10 minute walking distance, there's a supermarket and a bakery.

The location is great, the campus is near the bus station. There is a washing machine in the basement of the dormitory that we can use 24 hours a day. There are big kitchen facilities, moreover, here is a shop where students can have lunch or can buy many things. The most important thing is the dormitory fee which is only 60 to 120 EUR a month."

Mohammad Mustakim
international student

"It's so important to feel safe as foreign, and this is what I'm feeling during my stay in the dormitory as well as it's close to the University "
